

GUIDE TO MLBM ACCOUNTING AND FINANCE UNITS

This guide lists accounting and finance units available to MLBM students, as well as prerequisites. Note that prerequisites must be passed with a mark of 40% or above at the first attempt (not resit), unless a higher required mark is stated. All units are 10 credits unless stated otherwise. All information should be checked with course unit information on My Manchester, which may be more up-to-date.

Level One

Compulsory

BMAN10552 Fundamentals of Finance

Options

BMAN10621 Fundamentals of Financial Reporting

(Needed for BMAN10632, BMAN20081, BMAN20242 and BMAN21020)

BMAN10632 Fundamentals of Management Accounting

Prerequisite: BMAN10621 Fundamentals of Financial Reporting.

(Needed for BMAN21040)

Level Two (all units are options)

BMAN20081 Financial Statement Analysis

Prerequisites: BMAN10552 Fundamentals of Finance (passed at 60% or above) and BMAN10621 Fundamentals of Financial Reporting

BMAN20072 Investment Analysis

Prerequisite: BMAN10552 Fundamentals of Finance (passed at 60% or above)

Co-requisite: BMAN23000 Foundations of Finance

BMAN21020 Financial Reporting and Accountability (20 credits)

Prerequisite: BMAN10621 Fundamentals of Financial Reporting

BMAN20242 Introduction to Corporate Finance and Financial Instruments

Prerequisite: BMAN10621 Fundamentals of Financial Reporting

BMAN23000 Foundations of Finance (20 credits)

Prerequisites: BMAN10552 Fundamentals of Finance (passed at 60% or above)

(This course unit is a prerequisite for several final year course units.)

BMAN21040 Intermediate Management Accounting (20 credits)

Prerequisite: BMAN10632 Fundamentals of Management Accounting

(Note that MLBM students starting before 2016-17 could only take the prerequisite BMAN10632 in the second year, so can only take BMAN21040 in the final year.)

Level Three

BMAN30071 Share Prices and Accounting Information Systems

Prerequisite: BMAN23000 Foundations of Finance

BMAN30091 Financial Derivatives

Prerequisites: BMAN23000 Foundations of Finance OR BMAN20242 Introduction to Corporate Finance and Financial Instruments (pass mark at 50% or above preferred, in either case)

BMAN30111 Advanced Corporate Finance

Prerequisite: BMAN23000 Foundations of Finance

BMAN30211 Corporate Governance in Context

Prerequisite: BMAN21020 Financial Reporting and Accountability

BMAN30242 Financial Engineering

Prerequisite: BMAN23000 Foundations of Finance OR BMAN20242 Introduction to Corporate Finance and Financial Instruments. BMAN30091 Financial Derivatives is strongly recommended.
