

GUIDE TO MLBM ECONOMICS UNITS FOR STUDENTS WHO COMMENCED STUDIES PRIOR TO SEPTEMBER 2016

This guide lists economics units available to MLBM students who started their degree in September 2016 or earlier, as well as prerequisites. Note that prerequisites must be passed with a mark of 40% or above at the first attempt (not resit), unless a higher required mark is stated. All units are 10 credits unless stated otherwise. All information should be checked with course unit information on My Manchester, which may be more up-to-date.
