WELCOME WEEK 2014 ARTS, LANGUAGES AND CULTURES

Congratulations! We very much hope you are looking forward to joining us from 15th September. Welcome week can be a challenging and exhilarating one, where you will be meeting both academic and support staff and will enjoy a range of events. You'll need to absorb and process a great deal of information in a relatively short period of time – so try to be as prepared as possible before you arrive – but don't worry, all the information will be available for you in our <u>Survival Guide</u> or you can always ask our teams of support staff on hand.

Your Programme of study, School, and University have prepared lots of events for you to attend during welcome week, to make sure you get a great start to your life as a student. We have colour coded these, with what we believe you will get from attending them:

Activities marked with are designed to contribute to your LEARNING and academic success

Activities marked with i are designed to provide you with INFORMATION, such as our helpdesks and anywhere else you can ask questions that are important to you

Activities marked with f will give you the opportunity to have FUN, meet new people and start making friends

Activities marked with e will help you EXPLORE the campus and the city

YOUR PROGRAMME

Programme events are the most important events to attend during welcome week. They ensure that you get an introduction to your chosen programme of study, meet your tutors and colleagues, and ensure that you have enough information to commence your programme. Programme events, unless otherwise indicated by 'O' (optional) are mandatory.
