

The St Anselm Hall JCR Committee works throughout the year ensure that St Anselm's (known as Slems) remains the constantly improving, thriving community that it has always been.

What makes us different as a hall is that almost everything related to hall life is run and managed by our residents. For this reason, the JCR is also made up of a variety of other committees, such as the 'Social Team' and the 'Library Committee', that each deal with a different aspect of life here in Slems.

During the third week of the academic year, we hold our annual general meeting (AGM) where the majority of JCR positions are elected. The positions on offer range from the First Year Reps of the JCR Committee to the Beard Rep who oversees 'Movember'.

No matter how you want to get involved in the JCR, there is a role that allows you to do so.

Or, in more cliché terms: when there's a will, there's a way.

Davy Halliday
President, St Anselm Hall
