Manchester Gold 2014/15 Mentee Statement of Commitment

Personal details

Mentor's Name:	

There are a limited number of places available on the Manchester Gold programme - the ratio of applicants to places is around 10 to 1. We hope that selected mentees will appreciate the significance of the opportunity we are providing and will only commit to the programme if they are intending to make the most of it.

Our mentors give their time generously. It reflects badly on the programme and The University of Manchester if our mentors have a disappointing experience with an uncommitted mentee. It also means someone else has missed out on an opportunity they would have valued.

We need to be sure of your commitment to the programme and its events, which include:

- Attendance at the Manchester Gold induction event
- Completion of mid-term and end of programme evaluation
- Committing around 15 - 20 hours of your time between November and April

By signing below, you are agreeing to the following:

- Taking the lead in contacting your mentor
- Agreeing levels of contact and confidentiality with your mentor
- Committing around 15 - 20 hours, including attendance at events.
- Returning emails and phone calls in a timely manner and responding to event invitations
- Completing programme evaluations
- Contacting Nia Watkins Jones and your mentor **immediately** if you feel you cannot continue with the scheme on 0161 275 2828 or via mentoring@manchester.ac.uk
- Informing the Manchester Gold Team immediately if you are:
 - having problems contacting your mentor
 - unhappy with any element of the programme
 - do not feel that you are getting the best from the programme

I fully agree with the above:
