

White Rose Beauty College - Manchester Piccadilly

ITEC LEVEL 2 DIPLOMA IN COMPLEMENTARY THERAPIES – 15 WEEKS

Tuesdays, 6pm-9pm (enrolment in-centre on 08.02.2022. Course commences the following Tuesday)

We have recently been working with local businesses, charities and educational facilities offering a course in Complementary Therapies. As a commitment to promoting positive wellbeing within the workplace, White Rose provide the ITEC Level 2 Complementary Therapy course fully funded.

We would therefore like to offer yourself the opportunity to partake in our fully funded ITEC Level 2 Diploma in Complementary Therapies programme. This taster qualification is the perfect introduction. Designed to teach the basic underpinning skills and knowledge of wellbeing.

They will learn basic Body Massage routines, Reflexology and Aromatherapy. Including simple meditation techniques, supporting with the demand of day-to-day life. Complementary Therapies is practiced harmoniously alongside conventional methods of treatment for mental and physical health.

Please [click here](#) further information.

As a special offer we would like to also provide you with uniform and kit free of charge.

If you are happy with everything the course has to offer, the next step is to come into college for an informal interview to enrol onto the program.

Please contact us to book your place on the course.
