

## Discover Days for Year 12 learners *this Summer at The University of Manchester*

Do you want to find out more about degrees courses that relate to subjects you're interested in? Are you currently in Year 12? Then a Discover Day at Manchester might be the thing for you.

Discover Days at Manchester offer **potential applicants** the chance to gain real insight into degree programmes they might study at this University. They provide a great opportunity for participants to **gain first-hand experience** and **make informed decisions** about their university choices **before the start of the UCAS application process**.
