

Welcome to Ashburne Hall and Sheavyn House.

Ashburne Hall and Sheavyn House is going to be home for the next few months so I'd like to welcome you and wish you an enjoyable experience whilst you are here. The community is made up of four wings, Lees, Mary Worthington, Ward and the self-catered Sheavyn House. For many of you it will be the first time away from home which can be a daunting time but please don't worry, there is a support system in place to help you with any problems that you may encounter.

Residents will be arriving between Thursday and Sunday. First stop will be the Ashburne dining room where you can pick up your keys. If you are one of the early birds please feel free to come and help us show the later arrivals around and help make them welcome. Knock on each other's doors and introduce yourselves.

Some of last year's residents will be back with an itinerary of early evening social events to get you all mixing and meeting. Club nights are also being arranged and tickets will be available when you get here. There are also some daytime events taking place. Look at the [Facebook page](#) for more info. Please be careful. Club promoters open Facebook pages and say that they are our official site. This is the one that has been set up by last year's students for you.

Ashburne Hall and Sheavyn House 2015/2016

The Pastoral team will be around in the evenings. Don't be afraid to call on them if you have a problem or question. There is a duty mobile that you can ring during the evenings and at the weekend to get in touch with the tutor. This number will be posted on notice boards near entrance doors.

There will be two meetings during the first week that you must attend. The first will be on the Sunday evening and is for me to introduce the pastoral team and the JCR committee to you. I will also be able to give a few pointers on how the system works, the "do's and don'ts" to make your year here as enjoyable as possible. I won't take up too much of your time. The second meeting will be a safety talk which the whole hall will go to together. Details of dates and times will be displayed around Hall when you arrive.

I hope you are looking forward to your stay with us and to your first year at the University. Don't forget – we are to help so if you need us don't hesitate to come to see us if you need a question answered or if you need help with anything.

Looking forward to meeting you.

Yours,

Norman
