The University of Manchester

**Don't share it.
Even if they ask nicely.**

Never share your IT account details with anyone, even University colleagues. Your account belongs to you, and you're responsible for any activity on it. Giving your password to other people risks the security and reputation of yourself and the University.

If you have concerns about your IT account, contact the IT Support Centre straight away on 0161 306 5544.
