ABOUT ME

I have been working within the beauty industry for 24 years and enjoy it thoroughly. I started my career at the beautiful Ragdale Hall Health Hydro in Leicestershire where I became a senior therapist.

From here I moved on to working on the cruise ships for Steiner Transocean. I was lucky to have travelled the world while doing what I love – making people feel special in the custom-made treatments that I delivered.

On my return after many years of perfecting treatments I started my teaching career. I have now been teaching and managing the service and retail industries department for the past 11 years at The Manchester College.

I have been lucky to be involved in working on private make-up parties, Nail designs on a child's toy, TV shows, Smooth FM, voice overs for The Potion Shop, work with My Beauty, treating patients in hospitals, event management, organising cat walk, providing make up for theatre and short films and regularly attend beauty shows. Work with My Beauty Group face and body electrics, Jennifer Young – Beauty despite cancer, Potion Shop UK sales and marketing. I am also trained in semi-permanent make-up and have designed my own product range called My Brow Care which is distributed world wide.

I do look forward to meeting and treating you to one of the beautiful services I have designed just for you. Please don't hesitate to give me a call or email to find out more on how you can book and my availability.
