

# MANCHESTER DOCTORAL COLLEGE

**The Manchester Doctoral College (MDC) offers internal coherence and external visibility to the University's Centres for Doctoral Training (CDTs).**

The College currently hosts eight Centres, all offering you:

- a four-year integrated programme
- a mix of taught courses and a doctoral research project
- an interdisciplinary perspective
- integration into world-class research teams
- opportunities to build links with advanced researchers in Manchester and around the world
- guidance in disseminating your research
- the chance to share your research development as part of a cohort of fellow doctoral students

To find out about CDT funding opportunities visit [www.mdc.manchester.ac.uk](http://www.mdc.manchester.ac.uk)
