## Support for NHS Ethics Applications and HRA approval

If you wish to submit an NHS ethics/HRA application, amendment to an ongoing study or discuss HRA approval and research governance sponsorship for your project, please contact the Research Governance & Ethics team (FBMHethics@manchester.ac.uk).

## Support for REF, RRE & Impact

Support will be provided by the Senior Policy Manager and the Knowledge Exchange & Impact Officers. For REF & RRE matters, the Senior Policy Manager will work closely with the Research Support Managers within Schools and Divisions during these assessment exercises. Support for Knowledge Exchange & Impact will be provided across all 3 schools.

## MAHSC Liaison

The key contact for MAHSC operations is the Senior Policy Manager.

## Policy development

The Senior Policy Manager will develop policies with the Vice Dean for Research & Innovation and the Head of Faculty Research, PGR & Business Services to support the Faculty's research strategy and will ensure prompt implementation and monitoring.

## Management Information

Requests for management information on applications and awards for the Faculty will be provided by the Senior Policy Manager and support staff within this team.
