Getting Started

University of Manchester eProg Summary

eProg is organised by a Pathway, which represents the degree programme being undertaken by a student. Pathways are populated with Milestones and Forms, which mark progress, on a Timeline, towards degree completion.

Admin Contacts

Enter eProg and select 'Help and Support'. This list displays the administrators responsible for eProg in each school and Faculty. N.B. Contact the eProg faculty lead in the first instance.

Academic Contacts

Useful academic contacts are listed within the 'Supervisor Information' tabs. Select these tabs to locate this information.

Training Docs

Within 'Training Documents' you will find further instructions for eProg. Select the required title in the list to access the individual files.

{ Within the eProg homepage, 'About eProg' provides additional information, including recent updates to the software. }

Notes
