

SIGNING UP FOR LECTURES AND TUTORIALS – A GUIDE FOR PHILOSOPHY STUDENTS

In the first year, you will be required to take **120 credits**, as follows:

	Code	Title	Credits	Pre/Co-requisites	Notes
	All Mandatory (You must take these units)				
	PHIL10041	Critical Thinking	20		
	PHIL10021	Introduction to Ethics	20		
	PHIL10631	Introduction to Philosophy of Mind	20		
	PHIL10402	History Of Philosophy	20		
	PHIL10622	Introduction to Metaphysics and Epistemology	20		
	Students may choose a free choice unit worth 20 credits from another Discipline Area/School/Faculty.				
	POLI10702	Introduction to Political Theory	20	*Optional	

You will find that you have already been enrolled on to all the 1st year Philosophy units as these are mandatory. However, you will be in Tutorial 00. This is a holding tutorial, and you will need to move yourself out of it into a live tutorial as soon as possible. Details on how to do this follow.

You will normally make course unit selections to take 60 credits per Semester. If you decide to take 20 credits of free-choice units, unless you are taking a Language Course, this must be a First Level course (ie. the numeric part of the course code must begin with a "1"). It must also be **Open to All Students**.

LANGUAGE COURSES

If you want to take a Language Course, you need to apply to the LEAP Office. Your level will be assessed and, if you are accepted onto a Language Course, you need to take no further action. The LEAP Administrator will enrol you onto the course. For students wanting to take a language, the link to LEAP is: <http://www.ulc.manchester.ac.uk>.

UNIVERSITY COLLEGE FOR INTERDISCIPLINARY LEARNING

The University College presents an opportunity for students at The University of Manchester to broaden their educational horizons. It will offer courses that showcase the research and knowledge found at the University and encourage students to go beyond the boundaries of their degree programme. The link to University College is: <http://www.college.manchester.ac.uk/>

Finding your timetable

You can find your timetable by going to 'My Manchester' and clicking on 'My Timetable' in the left hand navigation. This will take you to a login page where you'll need to enter your student username and password to access your timetable.

Remote Study

If you are studying remotely (online) in semester one please choose a class section which begins with ON or ONL.

Some Economics units only have an online option for all students.

If a course unit only has one class section option to select (eg TUT0), please choose that.

Here are some [instructions](#) for selecting your course units in Campus Solutions.

Please don't attempt to enrol on your course units until you receive further information during your Programme Welcome Week (w/c 28 Sep)
