# Your Grad School

The Graduate School is what you make of it

Intellectually stimulating environment

Conferences

Researcher-led Initiatives

Symposia, seminars, workshops, reading groups

Training sessions (session on how to apply for PhD programme)

Social and collegial environment

Space for meeting and networking

Mentoring scheme

Wellbeing sessions (meditation classes starting 11 October)

Supportive environment

From peers: student reps

From academics: Head of Graduate School and PGT Director

From PSS staff in the Graduate School Office

**A space for initiatives, new ideas and their realizations**
