

The Media Club is run by the careers service and is exclusively for University of Manchester students who are interested in working in the media. We invite industry practitioners to speak about key topics, their careers and how to get that ‘foot in the door’. There is a Facebook group: [/groups/mcrmediaclub](https://www.facebook.com/groups/mcrmediaclub) and Twitter: [@mcrmediaclub](https://twitter.com/mcrmediaclub)

Details of events can be found on www.manchester.ac.uk/careerslink and are included on our Facebook group. Please check for details, and any last minute changes, on careerslink and click on ‘register’ to let us know you’re coming!
