Important information – desktop purchasing

How to purchase desktops and workstations

Choose a product from this buyers' guide and submit a Support Centre request via the purchasing request form. Your request will be reviewed and fulfilled by our hardware validation team.

www.itservices.manchester.ac.uk/our-services/business/purchasing/work

If none of these approved models are suitable for your requirements, please submit a Support Centre request via the purchasing request form. Your request will be reviewed and fulfilled by our hardware validation team.

Stock items should be delivered within 5 working days. Non-standard items may take significantly longer due to the nature of the equipment.
