

# The 2<sup>nd</sup> Composites@Manchester Research Workshop

## 3<sup>rd</sup> & 4<sup>th</sup> April 2017

COMPOSITES  
@MANCHESTER

This annual workshop aims to bring together early career researchers in the field of composites to share their work, as part of a composites community. The event is aimed primarily at PhD and MSc level researchers.

## Session themes

- 3D structural composites
- Structural bonding and repair
- Non-destructive testing & structural health monitoring
- Modelling & simulation
- Nano-materials
- Bio-inspired composites

## Registration

Please register for this free event via Eventbrite:  
[www.compositesatmanchester.eventbrite.co.uk](http://www.compositesatmanchester.eventbrite.co.uk)

## Conference highlights

- Welcome from our Dean of Faculty, Professor Martin Shröder
- Keynotes from Professor Philip Withers and Dr Zahra Sharif Khodaei (Imperial College London)
- Technical talk from Dr Stephen Edmondson
- Research and poster presentations
