

University Place - Stellify

View one: Drum area

- Star field motif on ceiling,
- Pillar wraps - highlighting the five points of action
- Subtle applications on the drum walls:
 - one side providing context, linking Stellify to our history of social responsibility in both research and teaching.

View two: Welcome desk area

- Subtle application of Stellify identity to Welcome desk area
(note: final design to be agreed)

View three: Information Zone area

- Installation of interactive digital screen above existing storage space,
- Focused on regularly updated student profiles and rich content (e.g. video)
- Space for changing promotion of upcoming activities and continuous support services,
- Leaves existing floor space clear for other uses.
