

Project type	October	November	December	January	February	March	April	May	June	July	August	September
BSc Bioscience	Literature Review		Marking			Research Project		Marking				
MBChB APEP							Research Project			Marking		
MSci Year 3	Research Proposal 1			Marking		Research Proposal 2		Marking				
MSci Year 4	Research project		Scientific talk marking			Scientific abstract marking		Report and Poster Marking				
BSc Psychology	Research Project	Research Proposal Marking						Presentation and project Marking				
MRes Cardiovascular Health and Disease	Research Project 1				Marking							
							Research Project 2				Marking	
MRes in Reproduction and Pregnancy	Research Project 1				Marking							
							Research Project 2				Marking	
MRes Medical Sciences	Research Project 1				Marking							
							Research Project 2				Marking	
MRes Oncology	Research Project 1				Marking							
							Research Project 2				Marking	
MRes Tissue Engineering for Regenerative Medicine	Research Project 1				Marking							
							Research Project 2				Marking	
MRes Translational Medicine	Research Project 1				Marking							
							Research Project 2				Marking	
MSc Clinical Biochemistry										Research Project		Marking
MSc Clinical Immunology						Research Project 1	Marking	Research Project 2				Marking
MSc Medical Microbiology								Write up and submit a research proposal		Research Project (can be started two weeks earlier with the supervisor's permission).		Marking
MSc Medical Virology								Write up and submit a research proposal		Research Project (can be started two weeks earlier with the supervisor's permission).		Marking
MSc Biochemistry	Research Project 1						Marking					
							Research Project 2				Marking	
MRes Biological Sciences	Research Project 1						Marking					
							Research Project 2				Marking	
MSc Cancer Research and Molecular Biomedicine	Research Project 1						Marking					
							Research Project 2				Marking	
MSc Cell Biology	Research Project 1						Marking					
							Research Project 2				Marking	
MSc Developmental Biology	Research Project 1						Marking					
							Research Project 2				Marking	
MSc Neuroscience	Research Project 1						Marking					
							Research Project 2				Marking	
MSc Bioinformatics and Systems Biology					Research Project 1			Marking				
							Research Project 2				Marking	
MSc Biotechnology and Enterprise					Research Project						Marking	
MSc Genomic Medicine							Research Project				Marking	
MSc Neuroimaging for Clinical and Cognitive Neuroscience							Research Project				Marking	
BSc Pathology	Research Project							Marking				
MRes Psychology	Research Project											Marking
