PGR – IND001 PGR HEALTH AND SAFETY INDUCTION MANDATORY MODULE 1

All new students and staff at the University of Manchester are required to complete a health and safety course. It is delivered online by the University's Health & Safety Services. The course delivers basic information about how health & safety is managed at the University, and includes some simple tests to assess learning outcomes.

You will automatically be enrolled on this course unit which is delivered through your eProg progression page which can be accessed via <http://my.manchester.ac.uk/>

It will take you approximately 1 hour to complete. You are expected to complete the course and obtain a "pass" within the first two weeks of the formal registration/welcome period (week commencing Monday 18 September 2017).

The good news is that you don't need to wait until you arrive on campus to complete the course. You can complete it once you have registered (On-line registration will be available from 1 September 2017). We would advise you to complete this unit as soon as you register so that you are free to concentrate on your other induction activities.
