

# CENTRES FOR DOCTORAL TRAINING OPEN DAY

Wednesday 27<sup>th</sup> January 2010

Applications are now open for **fully funded four-year PhD/EngD studentships** starting in October 2010 with the Manchester Doctoral College Centres for Doctoral Training;

- **Integrative Systems Biology**
- **Sustainable Consumption Institute**
- **Engineering Doctorate Programme**
- **Nuclear Fission Research, Science and Technology**
- **Advanced Metallic Systems**
- **Nanoscience**
- **Humanitarian and Conflict Response Institute**

These **distinctive** four-year integrated programmes combine **specialist** taught courses and a doctoral research project in an interdisciplinary and collaborative environment.

To find out more information about the Centres for Doctoral Training programmes and the new doctoral programmes in Nuclear Fusion and Integrated Mathematics, join us at the Open Day commencing at **9:30am on Wednesday 27<sup>th</sup> January 2010**, at the Manchester Interdisciplinary BioCentre (MIB), John Garside Building, 131 Princess Street, Manchester, M1 7DN. A full is available at **[www.mdc.manchester.ac.uk](http://www.mdc.manchester.ac.uk)**

To attend the Open Day, please register with Claire Hughes at
