Recent research conducted by the NUS revealed alarming rates of sexual crime amongst University students.

In response to this, we are introducing Consent Workshops, which you will be required to attend as part of your induction.

The session will equip you with tools for effective communication, helping you to avoid unwanted sexual situations and misunderstandings.

The workshops will be running on Wednesday 23rd September and Thursday 24th September.

To find out when your session is running, please go to timetables.manchester.ac.uk and then follow the steps in this guide.
