

Award Payment Dates for 2017-18

Postgraduate monthly stipend payments are due on the first of each month. You should take this into account when setting up direct debits and standing orders, even though you may receive your monthly payment a few days early (e.g. your July stipend payment will go into your account at the end of June).

The table below provides guidance on when maintenance awards will aim to be paid to students starting in September 2017, focussing on those students who are in receipt of a monthly award for the academic year 2017/18.

If you start your course in a month other than September please be aware that the date of your first monthly payment will depend on when you complete registration.

Please note: although we endeavour to make payments early this cannot always be guaranteed therefore these dates are for guidance only and all direct debits and standing orders should be set up for the 1st of the month, the official payment date of monthly maintenance.

Should you have any questions about payments of your award please contact the Student Services Centre on 0161 275 5000 or email funding@manchester.ac.uk.

* 01 October instalment will be processed as early as 19 September and credited to students' bank accounts on 21 September, provided students have fully completed registration by 15 September.

** Due to the Christmas shutdown it is necessary to process the 01 January award a week early.

All other payments (ie PGR Support funds, not expenses via PR7 forms) are paid within 10 working days of them being awarded on your Student System record.

You can check if you have been awarded a bursary/stipend and the payments dates on the [Student System](#) by following the below instructions. Please note the dates are in American format MM/DD/YYYY.

1. Log into My Manchester
2. Go to the 'Tools' menu and select 'Student System'
3. Click 'Campus Finances' and then 'View Financial Aid' (this page shows your awards for the current academic year)
4. Click the green 'Bank Details' button and enter and save your UK bank details. *If you have already entered and saved your bank details then the green button will not be visible.*

It is essential that UK bank account details are entered so we are able to process your award.

To change your bank details go to the Student Services Centre and complete a Change of Bank Details form.
