CAMPUS SPORT

The Campus Sport Leagues offer **6 sports (Rugby, Football, Netball, Basketball, Hockey and Futsal)** with around **130 teams** made up of students and staff from halls of residences, academic departments, faculties, schools, societies and groups of friends.

The leagues are a great way to play the sport you love in a friendly, social environment. There are longstanding teams that have a great tradition in the Campus League which you can be part of. However, there is always space for new teams!

'Team entries are taken at the start of the academic year with a full set of fixtures that run throughout term time, which includes one off tournaments and competitions. The leagues are designed to offer a way to engage in sport and meet new people without having to commit a lot of time out of a busy academic timetable.

Support is given to anyone looking to enter a team into the league and even if you don't have a team to play for, UoM Sport will help you find one!

Most teams take sign ups at the start of the year. Be sure to speak to your Residential Life advisor, Academic course lead or many of the societies at the start of the year to find out how to get involved in your halls, course or society team.

There are plenty of opportunities to build many skills that employers are looking for through managing, organising and coaching teams. There are also paid opportunities within the leagues as officials, referees and annual league coordinator positions.

CELEBRATING SUCCESS

All teams competing in the Campus Leagues celebrate the end of the season in style at the annual Campus Sport Dinner. Teams and individuals who achieved success are celebrated and recognised with trophies and awards. This earns them a place in University history and entering into the Campus Sport Hall of Fame.
