The University of Manchester

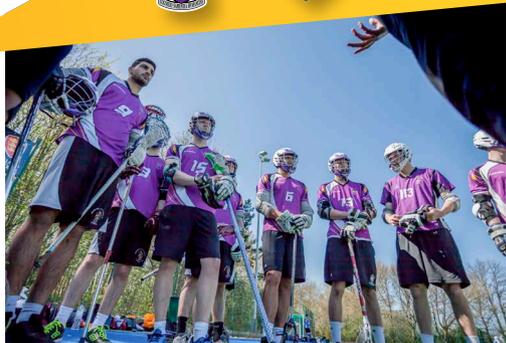

SPORTS CLUBS

Our sports clubs compete in the main inter-university British University and Colleges (BUCS) sport league. The clubs are part of the 'Athletic Union'. These 42 clubs are run by student committees and receive advice and funding support from The University of Manchester Sports department.

The majority of our team sports compete in leagues on a Wednesday afternoon against other Universities across the country. Our event based clubs take part in competitions which are held at the weekend.

The majority of our clubs train in facilities on The University of Manchester campus, with a small number of specialist sports training at other local venues within a short distance from The University.

2017 "Fresher of the Year" Naomi Ogbeta receiving award from Sporting Alumni XXI club President, Rowena Birch

NOT FOUND YOUR SPORT?

The Students' Union has a further 36 sport societies which don't compete in BUCS. See overleaf or visit the Students' Union website.

STUDENTS' UNION SPORT SOCIETIES

The Students' Union societies do not compete in BUCS but still boast 36 sport societies that are run by students for students. These sports societies range from competitive to recreational, and are open to all abilities.

From competing in the campus leagues and hiking up mountains, to jumping on your broom and playing Quidditch, there's something for everyone.
