Thunder: 2013 - 2016

Manchester Thunder – the North West's Netball Superleague team

Manchester Thunder have partnered with UoM since 2009 with the main aim of supporting Netballers that want to study at UoM and continue to have access to high level of netball or enjoy being a Thunder family supporter.

Benefits of the partnership include:

- The University Netball Club receiving coaching from Thunder coaches and players
- Reduced rate tickets to Thunder home games
- Support and development of identified netball coaches through Thunder workshops
- Annual curtain raiser game between UoM v Thunder NPL

The University are a proud partner of Manchester Thunder with an aim of supporting the development of netball in Manchester.
