

Current Opportunities

Dr Alexandra Spittle

Global Challenges Research Fund

29th September 2017

How to get involved in GCRF

As part of research projects

- As a UK based applicant
- As an international co-investigator
- As a researcher (e.g. post-doctoral assistants)
- As a research partner organisation, project partner or sub-contractor

Other

- Peer reviewer / GCRF college member
- Funding panel members
- Attend GCRF meetings / workshops

Current funding opportunities

Bear in mind...

- Your area of research may not appear in the title!
- Remits may be broader than remit of the administering Research Council
- Different calls will support different types of grants
- New activities released periodically
 - www.rcuk.ac.uk/funding/gcrf
- These are not the only ODA opportunities!
