

FLEXIBLE HONOURS Newsletter

Semester 1
2017-18

Dear Student

We hope you are well and have been enjoying your studies so far this semester. For those of you beginning your first year here at Manchester, hopefully you have settled in well and are enjoying exploring your Minor subject alongside your Single Honours subject. For students continuing in second year and above, we're delighted that you decided to remain in the scheme and have chosen to continue combining your two subjects. Please find below a series of notifications for you regarding the weeks and months ahead and, as ever, don't hesitate to contact us if you have any questions.

Wishing you all the best for the remainder of this semester and the year ahead.

Best wishes

Dr Joseph McGonagle
