

## Inspiring Leaders

Inspire and be inspired

### Welcome to the Inspiring Leaders Development Programme

Dear Colleague,

I am delighted that you have applied for our new *Inspiring Leaders* programme, designed to enable you to develop your capability to be an exceptional leader and part of a world class leadership team at our University.

Leadership in any organisation is challenging and at our University we recognise the importance of building capable, effective and engaged leadership at all levels. It is also a challenging time for higher education as we face external pressure from increasing regulation and evaluation, along with changing political and financial environments. It has never been more important to help, support and equip our leaders.

Through the Inspiring Leaders programme we have the opportunity to together create a real shift; enabling us all to embrace and thrive through change and that as individuals you will gain real personal benefits in developing your leadership capability.

I look forward to seeing you at the launch event, should you have any questions in the meantime, please contact [inspiringleaders@manchester.ac.uk](mailto:inspiringleaders@manchester.ac.uk).

Best wishes,

**Nancy Rothwell**
