<b>Archival history</b>	<p>This collection was donated to the AIURRRC by Steve Cohen in 2001, and was the first official archive collection held by the organisation. The donor had collected this material during his career, and the material had been stored in his garage prior to donation. The material was initially archived and catalogued into an MS Access database, organised by type of material (leaflet, poster, etc). In 2017 the collection was rearchived to incorporate a large amount of previously uncatalogued material. At this point the material was organised by campaign, meaning that researchers can now see the life of a full campaign in one box, rather than needing to consult multiple boxes. The previous numbering system has been replaced with the standard GB numbering system.</p>
<b>Administrative history</b>	<p>Steve Cohen studied law at Oxford University as an undergraduate and then gained his masters from Birmingham University. He practised as an immigration lawyer in the South Manchester Law Centre and as director of the Greater Manchester Immigration Aid Unit for over 30 years.</p> <p>He was politically opposed to immigration controls in their totality and was involved in many anti-deportation and immigration campaigns in Manchester and nationally. After having to retire from work through illness, Steve Cohen was active in forming and developing the No One is Illegal Group which campaigns against immigration controls.</p> <p>He has been published extensively and his works include: Immigration Controls, the family and the welfare state (London:Jessica Kingsley Publishers); No-One is illegal (Stoke-on-Trent:Trentham Books Ltd), Standing on the Shoulders of Fascism (Stoke-on-Trent:Trentham Books Ltd)</p>

<b>Scope and content</b>	<p>The collection consists of memorabilia from about over 70 anti deportation and immigration campaigns fought in Greater Manchester. Major campaigns are:</p> <p>Viraj Mendis  Nasira Begum  Anwar Ditta  Rahman family  Khan family  Okolo family  Okanlami family  Decardi Nelson family  Anderson family</p>
<b>System of arrangement</b>	<p>The collection is organised into the following series:</p> <p>Anti-deportation/Immigration Campaigns  Newsletters, Bulletins, and National Reports  Press Cuttings and Articles  Photographs  Artefacts  Banners  Audio/visual: Videos and DVDs  Posters  Correspondence</p> <p>Only the first series, Anti-deportation/Immigration campaigns, is catalogued to item level. Boxlists (using the old numbering scheme) are available for the other series, and where material from the other series relates to a specific campaign this has been marked in the 'related material' field at item level.</p>
<b>Related material</b>	<p>Many of Steve Cohen's publications are available in the AIURRRC library.
