Exclusive University of Manchester rate

Dave and Nines (*Formerly Chorlton Wedding Photography*) is run by husband and wife team Dave & Laura O'Keefe. Covering Greater Manchester and Derbyshire, they strive to capture great natural shots throughout your big day without being intrusive. They have a documentary style of photography meaning they constantly move around looking for great photo opportunities, interesting lighting and natural moments. They feel that on one of the most important days of your life, you should be spending it with friends and family - not your photographer!

## **So Who is Dave?**

Dave provides the photographic coverage on your wedding day. He's a full time professional photographer, in his day job as a commercial photographer he provides advertorial work for a packaging company but has been shooting weddings for the last 8 years in addition to providing commercial and editorial work for a number of businesses and publications. His whole life revolves around a camera – from collecting vintage cameras to teaching a range of classes at a Photography school in Manchester's Northern Quarter. Dave's originally from Shrewsbury but moved up to Manchester for university to study Film, Photography + Journalism. Apart from photography, He's a massive sports fan (anything he can get his hands on) and a big film buff. His work has been displayed in the Brooklyn Art Library...and he's even been a photography expert witness on Judge Rinder!

## **So Who is Nines?**

Nines (a.k.a. Laura) is the second shooter and provides the co-ordination – from answering enquiries to arranging group shots on the wedding day. She is there to make sure nothing is missed and ensure that you get everything you asked for and more. She's so organised, Dave even mentioned it in his wedding speech...romantic I know! She loves to plan a good party and always goes one step beyond. Apart from weddings, Laura is a massive foody. She loves cooking (and eating) and walking her favourite wedding present...our dog, Enzo.
