

THE SCHOOL Event of the Summer

Prof. Kay Marshall

Head of the School of Health Sciences

**Vice Dean of Faculty of Biology, Medicine and
Health**

*Improving Health through
OUR Research and Teaching*

Learning Outcomes

By the end of the day hope we have.....

- Met some new people
- Generated new ideas
- Learned more about the school
- Had some FUN!

nhsengland Aneurin Bevan first day of NHS
5 July 1948 Park Hospital Manchester

The Big Picture.....yes they are still 'in the room'

The story so far ...

702

The story so far ...

*We are what we
repeatedly do.
Excellence, then, is
not an act, but a
habit.*

*THE SUM OF THE
WHOLE IS
GREATER THAN
THE SUM OF ITS
PARTS*

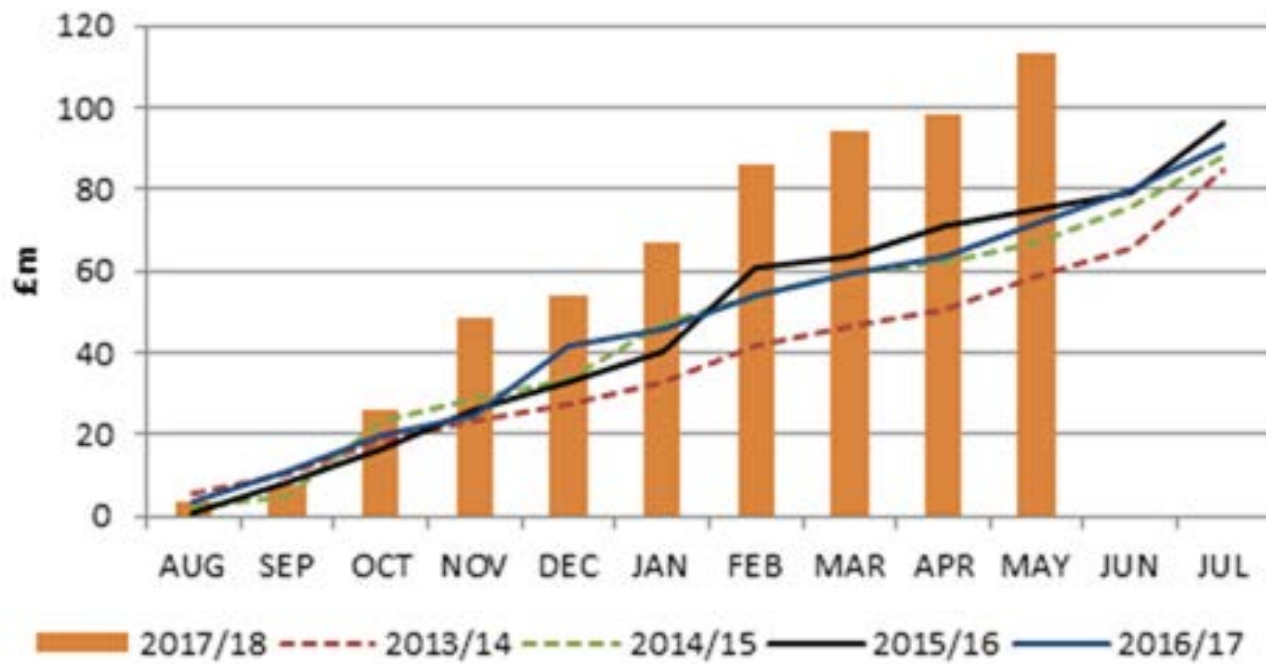

...Sharing and celebrating our successes

What SHS does today the rest of the faculty does tomorrow

SHS Cumulative Applications

£££How much???

- Number of awards :
 - 100k-249k = 31
 - 250k – 499k = 10
 - 500k – 999k = 5
 - > 1M = 4
- Number of awards year to date = 117
- Overall Project value = **£25,246,285.02**

There's more.....

- Nursing ranked 3rd in World
- All courses accredited – many even commended
- > £4M won on PgT tenders from P & O alone
- TWO endowment bids: I3SH > £5M; Nanomedics
- Best PgR SSR in the Faculty
- GMPSTRC, PRUs, RDS, NDEC, MCHP
- Making a difference across the board

- Sam Butterworth – ACS Hero of Chemistry
- Karina Lovell and the EQUIP team – Carer involvement award
- Gunn Grande – 1st NIHR Charities Award for practice changing research
- Sean Pert – Volunteer of the Year
- Sandra Bucci – in top 30 Women in Science
- Gina Conti-Ramsden – RADLD short film of the year
- Filippo Varese – PgR supervisor of the year
- Doron Cohen – 21st Century Curriculum Creator award
- Sally Freeman & Tor Hindle - PLEDGE

To do list - need to keep working on...

- Building an environment that supports quality - TEF & REF readiness
- Contribution – to T, R, SR
- Work to optimise staff interaction with new domains and Institutes to facilitate more cross-school and cross-faculty research. Optimise opportunities within MAHSC, HInM and GMHSCP
- Work with Faculty to ensure support structures are optimised eg support for >£1M teaching bids. Optimise potential of I3SH - maximising use of new and emerging technologies. Realise potential for PG taught courses and CPD
- Develop Social responsibility with a national, international and global perspective, building on relationships with all stakeholders.

*“If you want
something new, you
have to stop doing
something
old”*

“

The most important thing
in communication is
to hear what
isn't being said.

- Peter Drucker
