WHAT IS

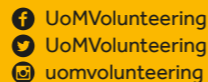

VOLUNTEERING?

Volunteering can be lots of things. Whether it's mentoring young people, fundraising for charities, running events or planting trees, if it benefits other people or the environment and you're not getting paid for it, then it's probably volunteering.

WHY

VOLUNTEER?

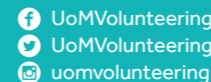

There's something for everyone, whatever your interests, skills and availability.

HOW DO I

GET INVOLVED?

To help you decide what kind of volunteering is right for you, head to our site for all the latest information, events and opportunities.

manchester.ac.uk/volunteers

You can search and apply for current volunteering opportunities on Volunteer Hub. Find your perfect role by searching by cause, location, role or skills gained.

VOLUNTEER HUB: HOW IT WORKS

- 1 Click on Volunteer Hub
 - 2 Click on the Student Log In option
 - 3 Complete the Registration Form
 - 4 Once registered, you can search for volunteering roles based on role, theme and location. You can also use the advanced search to filter by skills or specific areas of interest.
 - 5 When you find your ideal role, click Apply Now
 - 6 You should hear back from the organisation within one week... and then you can start your volunteering experience!
- ! Don't forget to ask the organisation to record your hours on Volunteer Hub so you have a record of your activity.

VOLUNTEER.

IT'S REWARDING.

Volunteering is an important part of Stellify. By completing 40 hours of verified community-facing volunteering during your time at university you will have completed the Make a Difference section of the prestigious Manchester Leadership Award.
