

COLLECTION LEVEL	
Ref no	GB3228.3
Collection name / Title	Hulme Study
Accession number(s)	
Level of Description	Collection
Collection type	Donated collection (fonds)
Date range	1985-1996
Extent	7 boxes
Name of creator(s)	Valerie Karn
Administrative / Biographical history	The Hulme Study was undertaken from 1987 to 1990 to formulate proposals with a view to improving the environmental, commercial, employment and social conditions in Hulme and the Moss Side District Centre. The study was managed by a Supervisory Group which consisted of a partnership between the City Council, Hulme Tenants and the Department of the Environment. Valerie Karn was appointed as an independent chair to the group.
Scope and content	The collection contains reports, surveys, correspondence, newspaper articles and minutes which cover the following topics (1) initial feasibility studies: these examine the economic, social and housing conditions in Hulme (2) stages of redevelopment (3) consultancy: including tender proposals and architectural assessments and (4) publicity. It also includes material produced by Hulme City Challenge which was formed in 1990 to implement proposals set out by the study.
Archival history	The collection belonged to Valerie Karn who was a Professor of Housing Studies at the University of Manchester. When the Centre opened in 1999 Valerie donated a portion of this collection to be archived. The remainder of the material was donated to the Centre when Valerie died later in the same year.
Immediate source of acquisition or transfer	Valerie Karn
Appraisal, destruction and scheduling information	A small amount of duplicates have been removed
Accruals	Not expected

System of arrangement	Initially listed in 2008. The papers arrived in two separate accessions and were completely unsorted. A structure was created and items were given a reference number based on our library system (i.e. VK/O/C/28). The catalogue was reviewed in 2018. The basic structure from 2008 was retained with items being listed in chronological order within these series. Items have been re-numbered (swapping the library number for an archive number i.e. GB3228.3/1/1) and repackaged.
Access conditions	
Conditions governing access (usage)	24 hours notice is required to view this collection. Material will then be accessible through Manchester Central Library Search Room.
Conditions governing reproduction (permissions)	
Date(s) description created / revised	Created: August 2018
