

Margaret Elizabeth Lee Fellowship

Established in 1993 from a bequest from the will of the late Margaret Elizabeth Lee, of St. Asaph, Clwyd, who was so impressed by the work undertaken at UMIST.

Regulations

1 The Fellowship shall be called the Margaret Elizabeth Lee Fellowship in memory of Miss Lee, and shall be of the value of not less than £1000 per annum.

2 The Fellowship shall be open to all full-time students in the Faculty of Engineering and Physical Sciences, University of Manchester, who are of British nationality, and normally reside in the United Kingdom.

3 The fellowship shall be awarded to students who propose to undertake projects or visit institutions of higher education or educational conferences outside the United Kingdom which can be considered to advance their knowledge in the area of their studies at the University of Manchester.

4 Application Forms are available from Academic Services, Engineering and Physical Sciences Faculty, Sackville Street Building, Manchester M60 1QD and should comprehensively but concisely describe the purpose for which the Fellowship is sought, and the expected duration of the activity proposed. The name of one referee who may be asked to comment on the suitability of the activity should be included in the application.

5 Completed Applications should be returned to Academic Services and will be considered by the Engineering and Physical Sciences Scholarship Committee whose decision shall be final. Applications may be submitted at any time during the academic year.

6 At its discretion, the Committee shall be empowered to make more than one award, if the income permits and there are enough applications of sufficient merit. If no application is considered of sufficient merit in any one year, then the Fellowship will not be awarded in that year.
