MSc FINANCIAL MANAGEMENT

YOUR COURSE DIRECTOR

Amedeo De Cesari
Course Director

“Business decision-making has become more complex over recent decades, owing to global, long-term phenomena such as globalisation, international trade and technological innovation.

Financial managers need to rise up to this challenge and equip themselves with rigorous knowledge and effective skills to make well-informed decisions and understand financial markets.

The MSc in Financial Management aims to offer the notions and skills that today's managers require, and provides a starting point for a successful career in finance.”

Business models and financial strategy

- Evaluation of alternative business models
- Financial decisions over the lifecycle of a firm
- Fintech and other innovative sources of finance

FACE-TO-FACE INTERNATIONAL WORKSHOPS

You'll benefit from the flexibility of an online course, complemented by valuable face-to-face learning through our six-day workshops held at our historic campus in Manchester city centre at the start of each semester.

Our workshops give you an excellent opportunity to develop your global professional network, discuss experiences with colleagues working across the world in diverse professional environments, and meet the academic team, who will be on hand to discuss the course and answer any questions you might have.

Enjoy time out from day-to-day working life to spend time on our world-class campus, working in groups to apply theory to practice through real-life case studies based on contemporary business problems.

Please note that if travel restrictions are in place the workshops will be delivered virtually.

HOW TO APPLY

Begin your studies in September.

Take the first steps today and apply online:

www.manchester.ac.uk/financialmanagement

Entry Requirements

- Normally, a 1st or 2:1 UK bachelor's honours degree or a master's degree (or international equivalent) from an institution recognised by the UK National Recognition Information Centre (NARIC).
- We will consider candidates with a 2:2 who have at least one year of relevant professional experience and demonstrate their suitability and motivation for this course.
- We welcome degrees from any academic discipline if you can demonstrate good numeracy and quantitative ability.

English Language requirements:

- IELTS: 6.5 overall with 6.0 in listening, writing, reading and speaking.
- TOEFL (iBT): 90 overall with 20 in listening, writing, reading and speaking.
- PTE Academic: 59-65 overall with 59 in listening, writing, reading and speaking.
- CPE or CAE (Cambridge): Minimum grade 176-184.

Study part time

The course is a part-time blended learning programme which is delivered through face-to-face course workshops and interactive online learning with a total of 150 hours of study per unit (approximately 15 hours per week).

Assessment

There are no exams. This course is assessed through individual and group projects.

Fees

Fees can be paid in instalments and we can offer advice for candidates seeking corporate sponsorship. Please contact us for further details.
