MDC fully considered and approved all revisions on 3 April 2019

4. ENGLISH LANGUAGE REQUIREMENTS

4.1 All theses must normally be written in UK English; unless discipline standards dictate the use of US English. Quotations, however, may be given in the language in which they were written. In exceptional circumstances, a candidate may apply to the University for approval to submit a thesis predominantly written in a language other than English.

9.11 The incorporation of publication-style chapters in the thesis will inevitably lead to some duplication since each publication-style chapter will have self-contained components that will overlap with parts of the other sections of the thesis. As a result, such a thesis might well be expected to be longer than a standard doctoral/MPhil thesis on the same topic. The maximum length of the journal format doctoral thesis should not normally exceed 90,000 words of main text, including footnotes and endnotes. The maximum length of the journal format MPhil/Professional Doctorate thesis should not normally exceed 60,000 words of main text, including footnotes and endnotes
