to change, or be changed,
into a star

HOW WILL YOU
CHANGE THE WORLD?

Stellify provides you with the opportunities and inspiration to make the most of your time at The University of Manchester. These activities are grouped around five points of action:

Learn without boundaries

Look beyond your degree by taking up one of our UCIL course units.

Understand the issues that matter

Tackle real world issues and take part in our Ethical Grand Challenges.

Make a difference

Volunteer and make an impact locally and globally.

Step up and lead

Inspire others by taking up a leadership role for a club, society or your course.

Create your future

Make the most of these opportunities to gain skills and become the best graduate you can be.

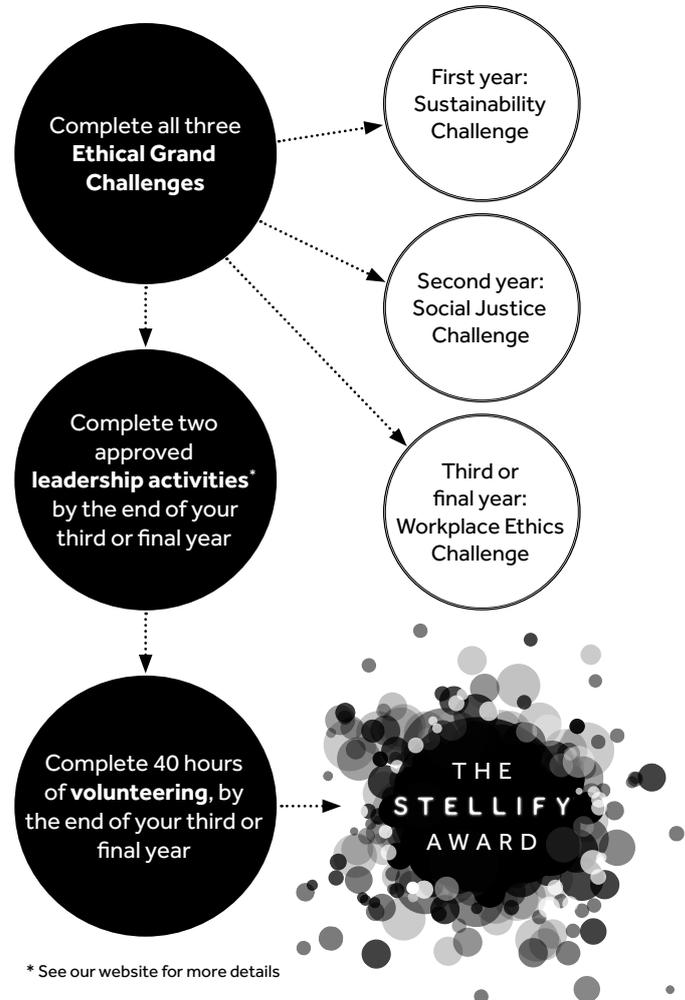

The variety of activities available under each action point means that your Stellify journey will be unique.

If you want to go further, you can use this journey to work towards The Stellify Award to complement your degree.

DON'T JUST STUDY, STAND OUT.
