

The ReachOut Leadership Development Programme 2020/21

A paid, year long,
development
opportunity based
in Manchester,
London or Liverpool

The Leadership Development Programme is a four hour a week, paid opportunity to build skills, gain experience and have access to exclusive development opportunities.

What does the programme entail?

- Core training in how to deliver a ReachOut Project
- A two hour a week project placement in a school leading a group of mentors and a group of mentees
- Regular meetings and supervisions with a line manager
- Access to an exciting range of additional training opportunities
- Networking opportunities throughout the year with access to many of ReachOut's corporate partners

How can you get involved and find out more?

We are hosting two information sessions at The University of Manchester in 2020 and would love to answer any questions you have about the programme. Please see details below and confirm your attendance by following the links.
