

**In the spirit of Give, even though it's not our spotlight 'way' in March, we will be running a donation point to collect books and money in support of Wood Street Mission's [Books Forever Appeal](#).**

Wood Street Mission is collecting donations and children's books, for ages 0-16, for children from low income families in Manchester and Salford. The University of Manchester has organised for Wood Street Mission to collect any books donated at the University, so all you'd have to do is supervise our collection point and encourage donations from students (and maybe provide some refreshments too!).

### **Your task:**

- If you'd like to help out you will be asked to supervise the donation stall (location TBC) for a couple of hours and encourage students to donate a children's book and/or some money to Wood Street Mission
- Hand out some tea/coffee/hot chocolate to people who have donated
- To sign up to help out, please [complete this form](#).
