Social Worker

uom.link/SocWork

Gain a nationally and internationally recognised professional social work qualification and become eligible to register as a qualified social worker

 Social Work MA

 2 year

 Full-time

 Bursaries available*

*Please visit the website for full terms and details.

Benefit from:

1

placements that complement your learning and allow you to apply your knowledge directly within the workplace

2

learning that involves working with service users, carers and current social work practitioners

3

course content informed by experts that ensure the latest developments in the sector are incorporated into your learning

4

the opportunity to complete an MA in an area of your choice with a personal supervisor to support you

“ There’s a lot of diversity on the course. My peers are all different ages with a range of backgrounds and skills; I was able to settle in very quickly. ”

Social Work MA student

6th
in the UK

2019 Academic Ranking

If you’re already a qualified social worker, our CPD courses will help you keep up-to-date with the latest developments in the sector.
