with/without Industrial/Professional Experience**

Final Year Programme Structure 2025/26

120 credits should be taken in the final year.

Students are expected to take an even split of courses, i.e. 60 credits in each semester. A 70/50 or 50/70 split may be permitted only with prior written approval from your Programme Director.

To satisfy the enrolment requirements for the IBFE programme you need to ensure you are enrolled on to the core courses, highlighted in green, before making your optional choices. Contact your Programme Administrator if these courses are not on your record. You are permitted to take a maximum of 20 credits of 2nd year options, these are restricted to those highlighted in yellow below.
