

Options Fact Sheet for BSc Accounting with/without Industrial/Professional Experience

For final years in 2024/25

Key points you need to know about your courses for next year:

- You should consult your final year programme structure to take note of your core and optional courses. All programme structures can be viewed here: <https://www.ambs.ug handbook.manchester.ac.uk/programme/programme-information/programme-structures/> however, please remember that programme structures are subject to change each year.
- You can read a course outline for all your core and optional courses using this link, [Course unit information | MyManchester](#). Course information is currently being updated for 2024/25 and will be fully updated by July 2024.
- Please note the requirements for courses with pre-requisite and co-requisite requirements. If a course outline states that a pre-requisite is required, it means that you must have taken and passed **at first attempt** the pre-requisite course at a minimum of 40% (in some cases a minimum of 60% is required). A course for which you achieved only a compensated fail mark (between 30% and 39%) does not count as you passing the pre-requisite. If a course outline states that a co-requisite is required, it means that you must take both courses together. **The pre-requisite and co-requisite rules cannot be changed under any circumstances.**
- To progress to the final year of BSc Accounting, you need to pass the following courses with at least 40%:
 - BMAN23000 Foundations of Finance
 - BMAN21020 Financial Reporting and Accountability

These courses cannot be compensated – if you receive a mark of 39% or below you will be required to resit the course.

- The majority of courses have been confirmed for 2024/25 but there may be reasons for courses to either change or be withdrawn before they start. Your programme structure will be updated to reflect any changes that are made and will be uploaded to the handbook when it has been finalised. In the meantime, if there are any changes that affect your structure you will be notified by email.
- It is your responsibility to choose your optional courses that are permitted on your programme, these will appear on your programme structure. You will automatically be enrolled on your core courses. You must also ensure you have taken and passed the pre-requisite course if this applies. Manual course unit checks will be carried out during Week 3 of teaching when the system closes so ensure you are enrolled on 120 credits before the deadline. Adding courses at this point can be problematic for your studies. **Please check with the Curriculum and Programmes team before the deadlines if you are in any doubt.**
- You should make sure you have enrolled for 120 credits for the year **at the start of the academic year i.e. by the end of week 2 of semester 1 (4 October 2024)**. Failure to choose all courses before this date will mean fewer timetable slots being available when you choose an alternative course.

- Draft timetables will be available by July however please note that some lecture times and days may change due to reasons beyond our control.
- Course unit selection is scheduled to open in August. The dates are as follows: -
 - 7th August at 10am for final years
 - 8th August at 10am for second years

Please note, this is dependent on exam boards and faculty guidance, if this date/time changes you will be notified by email.

- You will make your course choices via the student system by choosing the lecture. You will then be assigned a workshop, seminar or lab automatically to fit your timetable. If your choices clash you will be notified and asked to choose alternatives. If, for any reason, you wish to change your workshop, seminar or lab you should contact ambbs.programmes@manchester.ac.uk. Changes will be accommodated where possible.
- After the first 2 weeks of semester 1, the student system will close for changes to semester 1 and full year courses. After the first 2 weeks of semester 2, the Student System will close for changes to semester 2 courses. Please remember, you will not be permitted to drop a course which you took in the first semester in favour of a second semester course, nor will you be permitted to opt out of a full year course at the end of semester 1.
- Deadlines:

Changing full year and semester 1 courses: 4 October 2024

Changing semester 2 courses: 7 February 2025

No changes will be allowed after these dates.

- It is expected that students will take an equal number of courses in each semester, that is, 60 credits in each semester. However, a 50/70 split may be permitted with prior written approval from your Programme Director. 80/40 splits or any other than the above are not permitted. If you are found to be on an unequal split without written permission you will be required to add or drop the required number of courses which may be later in the semester and cause issues for your studies.
- If you are carrying a course unit over from a previous year – please bear in mind this will be in addition to the 120 credit per year requirement.
- Finally, remember to check the e-bulletin and your university email for further updates about choosing courses.
