

DO YOU LIVE IN GREATER MANCHESTER?

Are you a regular user of Pharmacy or Optometry services?

Would you like to:

- Help shape our future pharmacy/optometry workforce?**
- Make pharmacy/optometry research work for you?**

The University of Manchester Division of Pharmacy & Optometry is looking for people like you to help shape our teaching and research strategy, and to improve the quality and relevance of the work we do!

For more information and an application pack, please contact:
