

## Initial Teacher Training Bursaries (including scholarships) 2020

### Terms and Conditions

Training bursaries are intended to provide a financial incentive for high quality graduates to enter and also complete the ITT. The training bursary level awarded is dependent on the subject in which a trainee wishes to teach and the grade of their highest academic qualifications.

By signing and returning this form I confirm that I meet the eligibility criteria specified by the Department for Education set out in its ITT bursaries funding manual (accessible via the link below). In particular, I confirm that:

- I am an 'eligible' student for the provision of UK student support (as detailed in ITT bursaries funding manual)
- I hold a UK first degree with a classification of at least second class honours (or equivalent)
- I do not already hold QTS and am not already eligible to receive QTS
- I will not be undertaking paid teaching work when receiving the bursary
- I am not simultaneously taking another ITT course, training scheme or programme leading to QTS

I understand that if I am found to be ineligible for payment the University will review the payments made and I may be required to repay all or part of the bursary amount.

I agree and understand that in order to receive, and continue to receive, the training bursary I:

- Must promptly inform the Student Services Centre (0161 275 5000) of any changes to my bank account and address details
- Must promptly inform the PGCE Programmes Office of my intention to withdraw or interrupt my studies on the PGCE course
- Am expected to seek a teaching post in England upon successful completion of my PGCE course and by signing these terms and conditions I declare my understanding to this effect

**Bursary payments will only be made to those eligible trainees who are fully registered (including financial registration) and their ongoing entitlement is subject to them remaining registered.**

The first instalment of the bursary will be paid by BACS transfer on or around 1<sup>st</sup> October. This payment will cover the period of 1-31 October. Payment dates will be available to you in September 2020.

Eligible trainees who withdraw or interrupt from a course (or otherwise cease participating in a course) are entitled to be paid the training bursary for each month, up to and including the month in which they withdraw/interrupt/cease their participation. For example, if a trainee withdraws on 15 November, then they will be eligible for 2 instalments of their bursary (1 October and 1 November). If any trainee is paid an

extra instalment, it is understood that the trainee will repay this money promptly. Please contact [teachereducation@manchester.ac.uk](mailto:teachereducation@manchester.ac.uk) for further information.

Full details about the bursary can be found by accessing the [Initial teacher training bursaries funding manual: 2020 to 2021 academic year](#)
