

Computer Science 2020-21		
Course Code	Course Name	Comments
COMP21111	Logic and Modelling	
COMP22111	Processor Microarchitecture	
COMP24011	Introduction to AI	
COMP24112	Machine Learning	Introduction to AI is a pre-requisite
COMP24412	Knowledge-based AI	Introduction to AI is a pre-requisite
COMP25212	System Architecture	
COMP27112	Introduction to Visual Computing	
COMP32211	Implementing System-on-Chip Designs	
COMP32412	The Internet of Things	
COMP34120	AI and Games	
COMP34412	Natural Language Systems	
COMP36111	Algorithms and Complexity	
COMP36212	Mathematical Systems & Computation	
COMP36511	Compilers	
COMP37111	Advanced Computer Graphics	
COMP37212	Computer Vision	
COMP38411	Cryptography and System Security	
COMP39112	Quantum Computing
