## Zoom – Signing up for Students

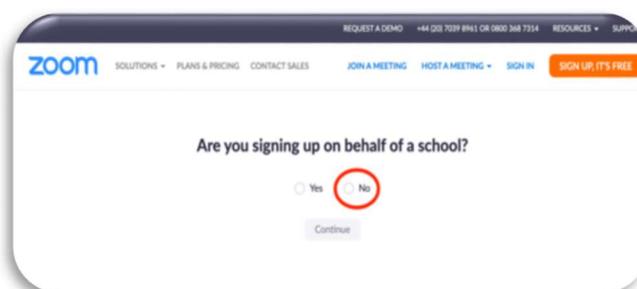

- d) Open your University email account and find the email from Zoom (it may be in your junk folder)

Open the email and select  
**Activate Account**

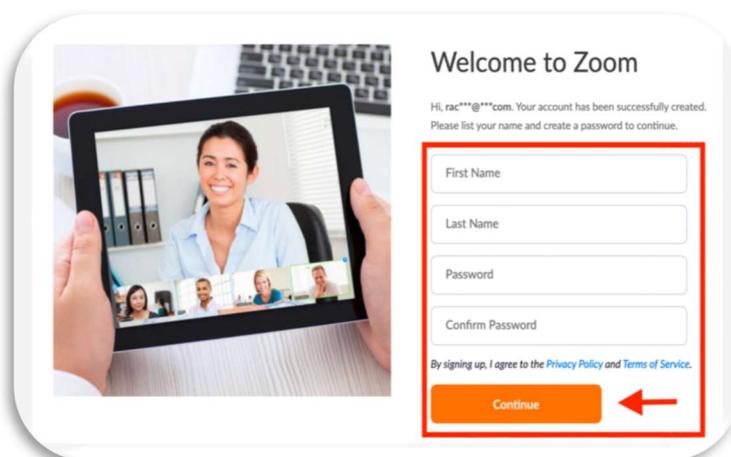

This will open a new browser window or tab for you within your internet provider.

- e) Zoom will ask you if you are signing up on behalf of a school (for a promotion they are currently running). Select No, then Continue

- f) Enter your First Name, Last Name as it was entered on your university application. Choose your own Password, repeating this to Confirm Password

**Use your full name do not use initial or nickname or Otherwise you might not be let into your University sessions as the tutor/host has a list of attendees. It helps with discussions if everyone knows who everyone else is. It also means you will be moved into the correct breakout rooms with your relevant group.**

Select **Continue** to create your account.

To help you prepare for sessions that are delivered remotely, the following guide has been created please read at:
