Exemptions from papers **TX & AA** have not been awarded in this instance for **BSc Accounting**. I have attached a detailed report outlining why I was unable to award the exemptions.

I have also attached a copy of ACCA's A Practical Guide to Writing Assessments. It gives the background to understand various elements that you need to consider when writing your own assessments. It also has information on the intellectual levels relevant to ACCA exams. Finally gives guidance around what the criteria mean from a practical perspective, including examples of questions.

Full details of the syllabus, study guide and examinations are available on ACCA's website at <http://www.accaglobal.com>. This accredited programme will be communicated externally by ACCA via our exemption calculator.

ACCA does not permit, under any circumstances, the unauthorised copying, reproduction or translation of ACCA's qualifications. ACCA's entire suite of qualifications remains the intellectual property of ACCA and should never be held out as the intellectual property of another party.
