### **Start of Year Registration Information – September 2020 – Updated Information**

Congratulations on gaining your place on a postgraduate research programme at the University of Manchester and specifically in the School of Arts, Languages and Cultures.

#### **1. Registration: All students**

An important part of becoming a student at the University is the completion of registration. This is a 10 step process during which we collect personal and academic information and you pay your tuition fees and your student card is issued.

Registration is completed online via My Manchester, this is your digital campus where you can access University services. This allows you to complete the registration process, including the payment of your tuition fees, via the web. **Please note**, if you owe an outstanding debt to the University from a previous programme of study e.g. for accommodation or tuition fees or a library debt, you will not be able to register for your new programme of study until the debt has been cleared. You will need to contact the Credit Control Team, email [credit.control@manchester.ac.uk](mailto:credit.control@manchester.ac.uk) (if the previous programme was funded) or [self.funding@manchester.ac.uk](mailto:self.funding@manchester.ac.uk) (if you self-funded the previous programme).

On-line registration will open **Tuesday 1 September 2020**. You need to complete all steps of registration before your University student card will be issued.

**\*\*Student cards will be available to collect from the Whitworth Hall, the Great Hall at Sackville Street, or your University Hall of Residence. Student card collection will be by appointment. Once your card is available for collection, you will receive a notification email with a link to the booking facility to collect your card. Please note, you will not be able to collect your card from the nominated collection points without having booked a collection slot first.**

Maps of the University campus can be viewed online via the following link:  
[www.manchester.ac.uk/discover/maps/](http://www.manchester.ac.uk/discover/maps/)

**\*\*The Student Services Centre registration helpline will be in operation from Tuesday 1 September 2020 to Thursday 30 September 2020 (not including weekends).** The helpline telephone number is +44 (0)161 549 1182. Help is also available via the Welcome Site: [www.welcome.manchester.ac.uk/get-ready/become-a-student/register-as-a-student/](http://www.welcome.manchester.ac.uk/get-ready/become-a-student/register-as-a-student/)

Please note that if you have applied for a doctoral loan and are intending to pay your tuition fees with the loan, you will be sent a separate communication, from the Funding Team in the Student Services Centre, as step 10 of registration process will be slightly different. Any queries regarding the doctoral loan should be sent to: [slc@manchester.ac.uk](mailto:slc@manchester.ac.uk)

All new international students who require a visa to enter the UK must also complete International Check-In as a requirement of registration at the University. If you will start your programme online from outside the UK, you should complete International Check-In after you have arrived in the UK. It is recommended that you use the Student Services Centre (SSC) address in your visa application for the delivery of your BRP card.

If your Tier 4 student visa application decision letter says that your BRP card will be delivered to the Student Services Centre, they will email you when your card is available for collection and invite you to book a collection appointment (the Student Services Centre is number 57 on the Campus Map). You should be able to complete International Check-In at your appointment. If your travel to the UK is delayed, the SSC will keep your card for you and you should book a collection appointment when you have a confirmed travel date.

If your Tier 4 student visa application decision letter says that your BRP card will be sent to a Post Office, you should collect your card and email a scan of the front and back of your card and your passport to [visa@manchester.ac.uk](mailto:visa@manchester.ac.uk) within 7 days of receipt. The SSC will respond to confirm that you have completed International Check-In.

**Please note that if you have not accepted your offer via the online application system, you will not be able to register.** It is essential, therefore, that you have accepted the offer. If you were made a conditional offer of a place and have not yet sent evidence that you have satisfied the conditions of your offer, you must forward the evidence as soon as you receive it. Please note, you can scan or email your documents to Miss Rachel Corbishley, the Graduate School Admissions Administrator, at [PhDSALC@manchester.ac.uk](mailto:PhDSALC@manchester.ac.uk) - only once the evidence has been received and verified by the School will your registration status be activated to allow you to access the online registration system.

If you have been made an offer conditional on obtaining your Master's degree, you **will** be permitted to register in September, although the result of your Master's degree will not yet be known. You must, however, provide evidence that you have been awarded your Master's degree as soon as it is available (**and no later than Friday 27 November 2020**). **Registration for your research degree at the University will be terminated if you fail to obtain your Master's degree at the required level or fail to provide the required evidence by the due date.**
